## Pure, Rich Blood

Is the soil in which roots life, health, strength, happiness. The soil of the blood can be drained or impoverished like any other soil, and can be fertilized and nourished in a similar way. of health, if you only supply the blood with its lacking nutriment; vitalize it, or if you like, fertilize it. A large number of so called tonic remedies are disguised stimulants. Ayer's Sarsaparilla is not a stimulant but a nourishment. It feeds the blood and so enriches it, as well as purifies it. That is why physicians recommend

## CIRCUIT COURT BUSINESS

### Judge Hitchcock Throws Out the Lazarus Will Appeal.

Return of Noa's Death Warrant—Two Jurors  
on Same Cases as Yesterday—Bank-  
ruptcy of Awa.

In Judge Perry's courtroom the  
trial of the ejectment suit of  
Kwong Lee Wai vs. Ching Sais  
still going on from yesterday  
morning.

Judge Stanley and a jury are  
still occupied with the trial of Ka-  
lika, for the Mokoli'i safe rob-  
bery. The prosecution closed its  
case shortly before noon and wit-  
nesses for the defense are on this  
afternoon. The burglary trial of  
Jack Thompson will follow as  
soon as this case is finished.

In the matter of the contested  
will of Joseph Lazarus, deceased  
intestate, on appeal from the  
Probate Judge in chambers,  
Judge E. G. Hitchcock has filed a  
decision dismissing the appeal on  
the ground that the contestant has  
not properly complied with the  
statute regarding appeals, by not  
giving notice of appeal within  
five days and paying accrued costs  
and filing a statutory bond within  
ten days after decision rendered.

The death warrant in the case  
of Noa, executed for murder yes-  
terday, has been filed in the office  
of the Clerk of the Judiciary. The  
warrant is directed to Arthur  
Morgan Brown, Marshal of the  
Hawaiian Islands, and is signed  
by President Dole and counter-  
signed by Attorney General  
Smith. The great seal of the Re-  
public is also attached. The fol-  
lowing endorsement appears on  
the warrant:

"By virtue of the within order  
to me directed on the 11th day of  
December, 1897, I, Arthur M.  
Brown, Marshal of the Re-  
public of Hawaii, did on the  
13th day of December, 1897, be-  
tween the hours of 8 in the  
morning and 12 of the clock at  
noon cause the within mentioned  
Noa to be hung by his neck until  
he was dead, as per the certificate  
of the physicians present and  
by the further certificate  
of three residents of Honolulu  
hereto annexed, and I do hereby  
return this order fully satisfied  
this 18th day of December, 1897.

"A. M. BROWN,  
"Marshal, Republic of Hawaii."  
In the bankruptcy of Awa be-  
fore Judge Stanley in chambers  
yesterday, four creditors made  
proof of claims aggregating \$1359-  
99 and made choice of P. A. Dias,  
clerk of petitioning creditors, as  
assignee of said estate. Judge  
Stanley approved the choice and  
fixed the assignee's bond at \$2000.  
The judgment roll in the case  
of Frank F. Porter vs. The Ha-  
waiian Pork Packing Company  
has been filed. The judgment is  
for \$957.40 and costs amounting  
to \$57.40.

Judge Hitchcock settled and al-  
lowed a bill of exceptions in the  
Lazarus will contest before his  
departure this morning.

Mary J. Dickson has filed a  
libel for divorce against Thomas  
Dickson, alleging failure to sup-  
port. She prays for the custody  
of the four children of the mar-  
riage and that the respondent be  
ordered to show cause why he

cupying premises leased to the pe-  
titioner. She also asks the Court for  
\$75 counsel fees, temporary alim-  
ony at \$10 per week and for her  
costs of court.

In the action for separation in  
which Thomas Dickson is plain-  
tiff and Mary J. Dickson defend-  
ant, the latter makes answer  
denying all the material allega-  
tions of the complaint. Kinney  
& Ballou are attorneys for Mrs.  
Dickson in both cases.

### Blames the Switchboard.

Mr. Lose blames the switch-  
board for the present trouble with  
the telephone. He says it is not  
large enough and is incomplete  
for the requirements. Nearly six  
months ago specifications for a  
new switchboard were requested  
of the Western Electric Co. of  
Chicago. On September 22 the  
company wrote that the material  
would be forwarded at once.  
Since then nothing has been heard  
of the matter. By last Thursday's  
steamer Mr. Lose wrote the Com-  
pany another letter urging all  
possible haste in the matter, and  
calling their attention directly to  
the pressing need here of the new  
switchboard.

### Station House Tenders.

Tenders for improvements to  
the station house were opened at  
the office of the Minister of In-  
terior at noon today, with the fol-  
lowing results: E. B. Thomas,  
\$4536; Fred. Harrison, \$4975; C.  
H. Patzig, \$5806; Arthur Harrison,  
\$5943; F. H. Redward, \$6449;  
Wm. Wagener, \$7125; Lucas  
Brothers, \$7247. The contract  
will not be awarded for the present.

Can you advise a suffering com-  
munity what to do with a horse

everybody awake? The nuisance  
is a very great one and the pa-  
tience of many people has run out.

### A Well Boring Expedition.

James McCandless left by the  
Keaunoh this morning for Kauai  
to bore a well for a Chinaman on  
E. Lindemann's place. He will  
pick up his rig at Waialua, whence  
it will be taken overland to the  
Lindemann ranch.

### J. K. Farley Is Ill.

J. K. Farley of Koloa, tax assess-  
or and collector for the island of  
Kauai, is a very sick man at the  
Hawaiian hotel. A cold contracted  
on the voyage over Saturday  
night developed into pneumonia  
yesterday. The physicians have  
the case well in hand today and  
do not anticipate a serious turn.

### See Yip Theater Party.

The Chinese theaters were filled  
last evening with the friends of  
the See Yip society. Everyone  
present had been furnished with  
an invitation and free ticket. This  
afternoon the See Yips will en-  
tertain the Chinese merchants of  
the city at dinner in the restau-  
rants on Hotel street near Mauna-  
kea.

There were only four or five  
petty cases before Judge Wilcox  
today.

J. W. Giuno is held for exam-  
ination as to his sanity this after-  
noon. He acts queerly and re-  
fuses to eat since last night.

M. A. Gonsalves & Co. have  
shipped more than 500 kegs of  
California wine to the other is-  
lands in the past few days, from  
which it would appear that their  
customers are preparing for  
Christmas.

By an error of the printer in  
not following copy the BULLETIN  
was made to say that the autopsy  
on the body of Noa yesterday was  
performed by Drs. Emerson and  
Howard. Dr. Cooper made the  
autopsy as prison surgeon, the  
other two gentlemen assisting  
him.

## SOME OCTOBER IMPORTS

### California Wine Has Largely Replaced Japanese Sake.

Figures on Lumber, Salmon, Wine and  
Canned Goods Imported From  
San Francisco.

The bill passed by the last  
Legislature raising the duty on  
Japanese sake seems to have had  
the desired effect of lessening its  
consumption in these islands.  
But independent of the action of  
the Legislature sake could no  
longer be imported at a figure  
which would allow of its compet-  
ing with the California beverage.  
Since the war with China and the  
change from silver to a gold basis,  
sake in Japan has doubled in  
price. Even now the poorer  
classes are unable to buy their  
cherished beverage and are using  
in its stead cheap grades of Chi-  
nese samshu. During October last  
there was shipped to Hawaii from  
the port of San Francisco 10,358  
gallons and 20 cases of wine,  
valued at \$4715.

Of salmon Hawaii took 868  
cases and 412 packages in the  
same month, valued at \$6891. We  
also received 2785 cases of assort-  
ed canned goods.

Lumber shipments in October  
from San Francisco to Hawaii  
direct amounted only to 20,026  
feet, valued at \$200, but we took  
800,000 shingles and 3375 railroad  
ties.

During the same month Hawaii  
sent to San Francisco 981,100  
pounds of rice, valued at \$45,293,  
as against 3,074,168 pounds in  
October, 1896, valued at \$67,117.

### An Iron Warehouse.

H. Hackfeld & Co. have sub-  
leased from Fred. Harrison a lot  
on Kekuanaoa street, Esplanade,  
upon which they will at once build  
a large warehouse. The structure  
will be entirely of iron and cover-  
ed with iron. On the latter ac-  
count the Government would not  
permit the house to go up on the  
Hackfeld premises near the coffee  
cleaner. The building will be used  
as a storeroom for machinery and  
supplies. Ripley & Dickey pre-  
pared the plans.

### Tax Board Adjourns.

The Board of Equalization  
completed its work at the tax office  
today and the assessors will leave  
for their respective homes this  
afternoon. On account of the re-  
cent decision of the Supreme  
Court, fixing the assessments  
upon many of the plantations, the  
work of the board this time was  
very light.

### Sugar from South America.

Among recent arrivals of sugar  
at San Francisco was a cargo of  
930 tons from Chili, consigned to  
Grace & Co. Sugar has seldom  
been brought to California from  
South America, but attempts have  
long been made to open up a trade  
in that line.

## THE REGIMENT CAMPFIRE.

Committee Appointed to bring it Off on  
Night of December 31.

The Board of Officers of the N  
G. H. held a meeting at military  
headquarters yesterday evening.  
After the usual routine had been  
disposed of, the matter of a regi-  
mental reunion and campfire came  
up. This was suggested some  
months ago by Colonel Fisher  
and to that officer belongs the  
credit of working it up. Lieut.  
Colonel McLeod, Major J. W.  
Jones, Major C. J. McCarthy,  
Capt. W. G. Ashley and  
Captain Paul Smith were  
appointed a committee to  
arrange the details. The affair  
will take place on the evening of  
Friday, December 31.

This reunion will be upon the  
lives of the high jinks of Com-  
panies B and D, save that there  
will be no speeches. The pro-  
gram will consist of music and  
literary and other specialties. Of  
course the spread will be the lead-  
ing feature. J. W. Chapman will  
have charge of it. Each company  
will have a table to itself. There  
will be a general master of cere-  
monies.

### Say It Was Suicide.

Deputy Marshal Hitchcock em-  
paneled a coroner's jury yester-  
day afternoon to sit on the case of  
Akana, the Chinese mill man who  
suicided in the forenoon of that  
day. Frank McIntyre, C. R.  
Collins, R. H. Davis, Frank  
Kruer, A. R. Hatfield and A.  
Peyer were drawn. After exami-  
ning several witnesses and hearing  
the statement of Dr. F. R. Day,  
the jury returned a unanimous  
verdict of suicide.

### Atherton to Sell Out.

Frank Atherton will dispose of  
the Sterling agency the first of  
the year and retire from the wheel  
business. If negotiations now pend-  
ing result satisfactorily a Fort  
street concern will buy him out.  
All depends, however, upon ar-  
rangements to be made by the  
head officials. Mr. Atherton will  
return east to school during the  
year.

### Saturday's Benefit Concert.

The entertainment to be given  
in the Opera House on Saturday  
evening for the benefit of the  
Stranger's Friend Society will ap-  
peal to the 400 of Honolulu as  
well as to others who enjoy a  
clean program by well known  
local talent. Miss Cartwright,  
Mrs. E. D. Tenney and Mrs. C.  
B. Cooper have the affair in hand.  
There will be choice music, read-  
ings and literary specialties on  
the program.

### Clytie Braves the Swell.

Saturday was a bad one for  
yachting. The Clytie was the  
only boat to venture out. She  
visited Pearl Harbor and returned  
Sunday. T. W. Hobron, A. W.  
Pearson, W. H. Bailey and E. A.  
Mott-Smith went down in her.  
They had a rather rough trip but  
managed to keep out of the wat-  
er. Several yachts will go down to  
the Lochs next Saturday.

### New Maps of Honolulu.

This paper thanks Surveyor M.  
D. Monsarrat for a reduced map  
of Honolulu. The new maps are  
2 by 3 feet in place of 4 by 6 for  
the old ones. They are an im-  
provement on the original design  
and are printed on strong, white  
paper. The surveyor will sell  
them at \$1 each.

### Judge Hitchcock in Town.

Judge E. G. Hitchcock of Ha-  
waii dropped in by the Lehua  
yesterday morning and dropped  
out again by the Claudine this  
morning. He came over on court  
business. The judge is in fine  
health and looks remarkably well.  
He is an Olua enthusiast and  
thinks everybody should put up  
stakes and move there at once.

## ANOTHER WHARF ACCIDENT

### Native Boy Falls Into Hold of Kinan and May Die.

Struck on His Head—Skull Is Fractured—  
At Death's Door in the Queen's  
Hospital.

In the Queen's hospital today  
lies a native boy who sustained an  
accident of the same character as  
the one that befell Mark Johnson  
on the bark Iredale nearly two  
weeks ago. The lad fell into the  
empty hold of the Kinan under  
almost identical circumstances.  
He was walking on deck and  
tumbled down the open hatch.  
The fall was all of 15 feet.

The boy's name is Maulani,  
though he is called Mano. He is  
18 years of age and lives at Kali-  
hi. For several months he has  
been employed as a common  
sailor on the Kinan. About the  
time all hands were leaving work  
at 5 o'clock yesterday afternoon  
he ran down the deck and in some  
inexplicable way stumbled and  
fell into the hold.

The poor fellow landed squarely  
on his head. When picked up he  
was unconscious and bleeding  
from the nose and ears. At the  
hospital it was found that his  
head was fractured on the left  
side. The injury will in all prob-  
ability prove fatal. The accident  
was undoubtedly due to his own  
carelessness. He so stated at the  
hospital.

### Finds Friends in Honolulu.

Wm. J. Rightmire, the new fleet  
clerk on the Baltimore, is well-  
known to San Franciscans in Hon-  
olulu. Some years ago he was  
in the City Guards with Lt. Colo-  
nel George F. McLeod and per-  
haps a half dozen others in the  
city. Colonel Fisher, G. W. R.  
King and others were in the  
National Guard of the Bay City at the  
time. Mr. Rightmire is a brand  
new man in the navy. His posi-  
tion does not necessitate an en-  
listment.

### Departed Band Men.

Prominent members of the Ha-  
waiian band who have left Honou-  
lulu are faring well in other  
places. Louis Arnaud, who will  
be remembered by everybody, is  
with the First Regiment band in  
San Francisco; K. H. Whiting is  
running a linotype machine on  
the Chronicle; "Jack the drum-  
mer" has a paying engagement in  
the Grand Opera House; Wm.  
Keogh is with the U. S. F. S.  
Olympia on the Asiatic station.

### News of Y. H. I.

At the meeting of the Y. H. I.  
held Thursday evening the new  
officers buckled down to work.  
The next meeting will be held  
early in January, the Institute  
taking a vacation during the  
Christmas season. Dr. Haddy,  
the new president, has mapped  
out a program which will un-  
doubtedly bring the society more  
to the fore next year than ever.
